1. Define Conflict and discuss the difference between Good and Bad Conflict.

Good Conflict: _____

Bad Conflict: _____

Reflection Task:

- How does good conflict feel?

- How does bad conflict feel?

- What advice would you give people who are in a 'bad' conflict situation? (Just write one line):

2. Identify 4 Causes of Conflict as described in the following passages.

- What are the people disagreeing about and why?
- What advice would you give the people to help deal with the disagreements?

a) Acts 15:1-20

b) 1 Corinthians 12:12-31

c) Genesis 13:1-12

d) James 4:1-3

3. Identify each segment of the slippery slope of addressing conflict and discuss examples of each type from the Bible and/or your own experiences.

a. ESCAPE:

1. Deny (Not admitting something, not admitting there is a problem, or explaining something away.)
2. Blame Game
3. Run Away

2. Your Task: Do you think, in a situation where people disagree, it's a good thing to deny, that there is a problem, blame each other or runaway? Why do you think so?

3. Where in Bible did people deny then there was a problem?

4. If you want share an experience in your own life. (its OK not to share, but just think about it where you sit.)

b. ATTACK:

1. Put Downs
2. Gossip
3. Fight

• Your Task: Do you think, it helps a conflict situation when you shut someone up, put them down or hurt them? Why do think that kind of action does not settle an argument, even though it feels like that?

• Where in Bible was war or battle used to end a conflict?

• If you want share an experience in your own life. (its OK not to share, but just think about it where you sit.)

c. WORK-IT-OUT/CONCILIATION:

1. Overlook
2. Talk-it-out
3. Get help

• Your Task: Define what 'overlook' really mean when two people differ with each other?

- Think about how Joseph and his brothers talked things out in order to settle their conflict?

- Why do you think 'talking-it-out' is the better way to deal with differences?

4. Reverse role-play a conflict from your own life or someone else's life and what conciliation options you might try.

Your task: you can use one of the following:

1. Do a drawing
2. Write an essay
3. Write a play
4. Write a song
